

Optimizing Mobility, Maximizing Value.

Paytoos Fleet Management Services is a leading provider of comprehensive vehicle solutions, offering a full suite of Car Rental and Pick and Drop services tailored for individuals, corporates, and institutions. With a focus on safety, punctuality, and comfort, we are committed to delivering world-class transportation experiences across our service regions.

We understand the evolving mobility needs of modern clients, and our services are designed to offer maximum flexibility, cost-efficiency, and peace of mind—whether it's for daily commutes, short-term rentals, or long-term transportation partnerships.

Our Services

1. Car Rental Services

Our fleet includes a wide range of well-maintained vehicles, from economy to luxury class, available for:

- Monthly Rentals
- Chauffeur-Driven or Self-Drive Options.
- Special Events and VIP Transport

All our vehicles are fully insured, regularly maintained, and GPS-enabled for real-time tracking.

2. Pick and Drop Services

We provide reliable and timely pick and drop services customized to meet the needs of Corporate Employees.

Our trained and verified drivers ensure safety, punctuality, and courteous service on every ride.

Optimizing Mobility, Maximizing Value.
